

PEOPLE GIVING
WORN CLOTHING

Rock Islanders Responding to Appeals for Donations for Refugees of Belgium.

Old clothing for war-stricken Belgians and French is beginning to pile up at the relief station on twentieth street. Nevertheless the local Red Cross and M. C. Rice, chairman of the committee in charge of the drive, are asking every man, woman and child in Rock Island to step forward at once with their share.

The committee's appeal: "Turn your donation in at once. Do not wait to be solicited, as there will be no house to house collection. The time is short for the campaign ends Monday. If you have given before give again, and give generously, or children and women will suffer and die this winter."

All articles should be taken to 212-214 Twentieth street. If bundles are too large to carry call the Red Cross rooms, R. 2, 2333, and the Red Cross motor corps will call for them.

Mrs. A. F. Sala and Mrs. W. P. Claussen have been appointed to take charge of the inspection and sorting of the clothing at the relief headquarters. Every sort of garment for old and young will be accepted provided it is not of too thin material; high heeled slippers and stiff hats are excluded. Garments may show wear, they may even be patched, but if they can be mended or repaired, or otherwise reconstructed into durable wearing apparel they will be gladly taken.

NEED 75 WORKERS
FOR SIBERIA: ARE
TO ENTRAIN SOON

An appeal for 75 men to take Y. M. C. A. positions in Siberia has been received by O. J. Stritt, general secretary of the Rock Island Y. M. C. A.

F. H. Scott, chairman of the war personnel board of the central department, national war work council, in a telegram to Mr. Stritt announces the immediate need of the men as follows:

"We have just received a cablegram as follows: Now 90,000 Czech are under arms in Siberia. Also a larger number of Russians and many allied troops. Demands upon the association are tremendous and will increase rapidly. Recruit promptly 75 men for Siberia in addition to all previous requests."

"These men need not necessarily speak the Czech language, of whom there are a great number in Siberia, but they need to be strong, broad-minded, hard-working and with sympathetic personalities, which can meet a difficult situation and win out. Please do everything you can to secure some men for this work as soon as possible."

PROPERTY HOLDER'S NOTICE.

Warrant No. 470.

Notice is hereby given to all persons interested, that the board of local improvements of the city of Rock Island, Ill., has filed in the county court of Rock Island county a certificate of the cost of improvement entitled in said court, "In re petition of the city of Rock Island, Ill., to assess the cost of construction of a six-inch watermain and an eight-inch sewer on Thirty-second street from Eighth to Ninth avenue and on Ninth avenue from Thirty-second to Thirty-fourth street," and said certificate also shows the court costs, the amount of accrued interest, and the total amount of said assessment, and said certificate also states that the said improvement conforms substantially to the requirements of the original ordinance for the construction of the same, as required by law, and that final hearing on said certificate will be had on the eighth day of October, A. D. 1918, at 9 o'clock a. m., or as soon thereafter as the business of the court will permit. All persons desiring may file objections in said court before said day and may appear at the hearing and make their defense.

Dated this 25th day of September, A. D. 1918.

WILLIAM MCNOCHIE,
M. T. RUDGREN,
N. J. HILL,
JOHN H. LIEDTKE,
JOHN A. MURRIN,
Board of Local Improvements of the City of Rock Island, Ill.

PROPERTY HOLDER'S NOTICE.

General No. 475.

Notice is hereby given to all persons interested that the council of the city of Rock Island, Ill., having ordered the construction of a six-inch water main on Eighth street, from Eighteenth to Twentieth avenue, and the ordinance for the same being on file in the office of the city clerk of said city, and said city having applied to the county court of Rock Island county, Illinois, for an assessment of the cost of said improvement according to frontage, said assessment being payable in seven installments, each bearing interest at the rate of 5 per cent per annum, and an assessment therefor having been made and returned to said court, the hearing thereon will be had on the 8th day of October, A. D. 1918, at the hour of 9 o'clock a. m., or as soon thereafter as the business of the court will permit.

Any person desiring may file objections in said court, before said day, and may appear on the hearing and make their defense.

Dated Rock Island, Ill., Sept. 23, A. D. 1918.

WILLIAM A. NORRIS,
Officer Appointed to Make the Assessment.

MATHERVILLE

James Ingles is closing out his restaurant stock and will close his place of business. On account of so many young men going to the army, the business was not a paying proposition.

Robert Balmbeck and Thomas Thompson are moving their families to Carlin, where the men have employment.

Word has been received here by relatives from Ivan Vengod who is in France that he had seen John Fox, another Matherville boy, over there.

SPORT NEWS

CAL DELANEY AND
SAILOR FRIEDMAN
FIGHT GOOD DRAW

FIGHT RESULTS.

Jackie Cal Delaney of Great Lakes training station and Sailor Friedman of Chicago, draw, shade, if any, going to Friedman, 10 rounds at 135 pounds.

Young Brandee of Moline won a technical knockout over Mike Kelly of Rock Island in third round of six-round bout when Kelly's seconds threw in the towel. Weight, 135 pounds.

Ray Zies of Rock Island shaded Young Peterson of Rock Island in six rounds at 135 pounds.

Young Simmons of Rock Island shaded Young Nealey of Rock Island in six rounds at 122 pounds.

BY L. C. JOHNSON.

One of the cleanest and best boxing cards staged in Rock Island for many a moon took place last night under the auspices of the Rock Island Athletic club at the Empire skating rink. A capacity house witnessed a rarin' battle between Jackie Cal Delaney of the Great Lakes Naval Training station and Sailor Friedman of Chicago, which in the writer's judgment ended a good draw.

Due to long range work, superior speed and cleverness, and last but not least, aggressiveness, a shade, if any, should go to the Windy City lightweight. Solly forced the fight throughout, and excelled in

stand-away boxing, landing frequently straight jabs to Delaney's face and head.

The Jackie several times tried hard for a knockout, but the sailor proved too clever, stepping in under, or away, from Cal's terrific hooks and swings.

Delaney clinched frequently, scoring his most effective punches through this mode of attack. Although fighting clean breaks, both boxers were guilty of punching and rough work when in close quarters.

Efforts of Friedman to land telling blows in close proved futile, Cal maintaining an effective defense. During these exchanges, Solly's mid-section was the target for hard wallop by Delaney.

Neither boxer seemed in danger throughout the battle, and each stopped from the arena comparatively fresh. The clash would have been more fitting as the first 10 rounds of a 20-round mill, both Cal and Solly showing much solitude and respect for the other's ability.

Neither took many chances and fought a very careful fight. Delaney was cautioned frequently by Referee Ed Smith for rough work with his head. Rough tactics on the part of each man marked the fighting. In the ninth session Friedman claimed a foul, sinking to the canvas holding his groin. Referee Smith refused to allow it, however, and motioned Friedman to continue. The sailor brought the crowd to its feet by rushing Delaney around the ring in a savage rally, punching with both hands.

In the semi-windup, Mike Kelly of this city, Babe Meador's new find, came to grief, losing in the third round to Young Brandee of Moline, when Babe threw in the towel to save his boy from a certain knockout. Although not in a serious condition when the bout was stopped, Kelly was clearly outclassed by his heavier opponent. He was game, however, and although possessing little boxing skill, appeared willing. This battle, while it lasted, offered the most action and heavy hitting of the evening's show. Brandee appears to have the goods as an amateur scrapper, and made many friends by his showing last night. After his scrap he accepted a challenge hurled at the winner of the semi-windup by Ray Zies. The bout probably will be carded in a future Rock Island Athletic club show.

In the main preliminary Ray Zies easily shaded Young Peterson in six rounds. Both are Rock Island boys. The victor showed a decided improvement in condition and form over his last appearance in a city ring, and was very favorably commented upon by many of the fans. He was easily the master of Young Peterson, who displayed a great respect for his opponent's punching ability throughout the fight.

In the opener, Young Simmons of Rock Island earned a slight shade over Battling Nealey, also of this city. Simmons is another boy who has improved wonderfully, his showing last evening being a surprise to all. He exhibited a fair left hand, jabbing Nealey time and again for clean points. Mickey Pierce of Moline refereed in the preliminaries.

The attendance at the show should leave no doubt in the mind of Pro-

motor Babe Meador as to the sentiment of the fans towards good boxing contests here this winter.

Before the main go, H. M. McCaskin talked on the fourth Liberty loan and was received with wild enthusiasm. Preceding his short speech "The Star Spangled Banner" was played, the audience rising and cheering.

TIGERS CONFIDENT
OF WINNING—TEAM
IN MIDYEAR SHAPE

If confidence can win a contest, sporting or otherwise, then Sunday's game between the Independents and the Rock Island Tigers will result in disastrous defeat for the green and white eleven.

The battle is scheduled for Douglas park, and will begin promptly at 3 o'clock. At a conference of Managers Planigan and Degen last night, the Tiger official declared the Independents certain of defeat. Not content with this gloomy prediction, Degen went further and stated that in order to give the Independents no chance for an alibi, he desired a return game. Planigan agreed.

Youth and aggressiveness will win for the Tigers, according to Degen. The Independents recently organized and have had little practice, while the Tigers, due to early organization and stiff workouts, are now in mid-season form.

Planigan stated today that Douglas park is receiving its annual overhauling, and when the whistle blows for Sunday's game, will be in great condition. The wire fences of last year are being put in place, and the field marked off.

Stiff practice has been meted out to candidates for this year's green

and white eleven in anticipation of Sunday's contest. Many old-time stars are trying out, among them being Roy Salzman, hero of many a high school and independent gridiron battle. "Little" Roy has the fever once more, and will don the moleskins in a strenuous endeavor to get into condition to play this season. Should he succeed, he would prove a valuable addition to the Independents, strengthening the line especially with his 200 odd pounds of avoirdupois.

Practice is slated for tonight. Coach Dick Litt promising to put the candidates through a stiff workout. Hauser, former Davenport Athletic club center, will appear tonight for his initial trial with the locals.

A tentative lineup for Sunday's game has been selected by Captain Freeberg, who announces that all candidates will be given a trial. The following will represent the green and white on the Sabbath:

Dempsey, Quinn, Freeberg, ends; Stewart, Wright, Holland, tackles; Hufford, Smith, Rogers, Salzman, guards; Kuehl, Port and Lundeen, center; Kuehl, Port and Lundeen, halfbacks; Meador, fullback; Noelle and Hallett, quarterback.

Word has been received that John "Silent" Hardy has entered officers' training school and will not be able to appear in the Independent lineup this season.

FLYER IS KILLED.

Sacramento, Cal., Sept. 27.—Second Lieutenant Arthur Thigpen of Alabama, was killed, and Second Lieutenant John Booker was slightly injured when their airplanes collided and fell.

Juneau, Alaska, Sept. 27.—Floods have caused great damage to homes and business buildings.

HIGH GRID TEAM
CERTAIN OF WIN
OVER OLD GRADS

The Rock Island high school football aggregation will run up against stiff opposition Saturday afternoon at the Douglas park when it plays the alumni team.

The high school lads are confident of a victory basing their claims upon the game last Saturday when they beat an Arsenal eleven. The Alumni on the other hand are just as confident of victory. The Alumni have this year about the strongest team they have ever put in the field.

The defects of the high school squad have been rounded off this week by Coach Kimmel, and he expects the undergraduates to put up a great fight. The back field looks better than ever this week. The backfield men have developed more speed and are able to handle the forward passes better than ever before. Paul Anderson, this year's captain, looks better than ever.

Paul at full expects to tear the Alumni line to pieces while McCarty at quarter expects to keep the Alumni ends and backfield men busy chasing him as he makes the end runs.

The two halfbacks for the high school, Dopp and Olson, are also confident of doing damage in Saturday's test. The line has been gone over and strengthened. Lincke at center, Blankenberg and Monroe at the guard positions, Littig and Miltstead holding down the tackle jobs, while Hincke and Holcombe playing at the wing positions ought to break up the Alumni plays. The high school team was given new suits last night and when they line-

ed up for scrimmage looked the best of any team that has ever represented the local institution. This year the athletic board of control of the local high school decided to sell season tickets. The tickets are 75 cents for the students and \$1.00 for outsiders. They are good through the Moline game. There are five games on the high school chart through that time. Galenborg and Moline should be the two best teams on the schedule.

The Alumni aggregation will be captained by "Spider" Whisler. "Spider" has been having a hard time getting the graduates lined up because of the war, but he has finally managed to get 18 men together for the game Saturday. Some of the Alumni's best players have gone to the war and others have gone into the college work but the majority of those in college will be able to get back and get into the suit for the game. The backfield will have some of the high school's best athletes in it. Such men as Dempsey, Heimbeck, Gleason, Whisler and Ed Taber. The line also has some of the best men that the high school has ever turned out. Captain Whisler has been drilling his men this week and reports that the grads will be in good shape for the battle.

"It is not known as yet who the referee of the game will be but Manager A. G. Hill is negotiating with Dick Litt. The men that the Alumni team will be composed of are as follows: Heimbeck, Balmbeck, Fitch, Gleason, Hughes, Looby, Griswell, Miller, Cain, Whisler, Anderson, Dempsey, Littig, Kane, Klova, Ed Taber, H. Dooley and Claude Mercer. The game will be called promptly at 3 o'clock.
